

**ONBOARD ANNOUNCES
THE INAUGURAL
ADVISORY BOARD
JANUARY 2024**

Atlanta, GA. OnBoard is pleased to announce the formation of the Advisory Board and 22 inaugural members, whose expertise and guidance will further OnBoard's mission to advocate for women on boards and connect them with opportunities.

The Advisory Board will provide insight on high-level strategy driving women's ascension to the boardroom, informing initiatives across the organization and in service of OnBoard's mission. Co-chaired by Becky Blalock and Betsy Camp, public company board members and former C-suite executives, the Advisory Board is composed of a select group of women leaders who currently serve or have served on a for-profit, corporate board. OnBoard is honored to have this prestigious group of women guiding our mission-driven progress and representing the organization in the community.

Please join OnBoard in congratulating the following women for their leadership on the inaugural Advisory Board and corporate boards across the nation:
